

Building & Construction Trade

This database is one of Corpdata's more recent additions introduced in 2007. It has complete coverage of the dynamic UK construction industry and enables you to pinpoint the specialist areas of work undertaken by the organisations, from roofing to landscaping.

Every record is telephone researched, on a rolling cycle to ensure it is always accurate. If

you deal with the Building and Construction trade, and you need to find new customers, this data resource is a MUST!

With up to 13 contacts, including Health & Safety and Fleet decision makers, you can be certain of getting your message to the right person.

Targeting Possibilities:

Civil engineers	Flooring / Tiling	Geographic
