

Online Focus

Well respected, comprehensive data

If you sell services into users of online services, this file is for you! **Online Focus** covers organisations making significant use of eCommerce, and enables you to contact the real people behind the online brand.

Regularly updated

Using accurate information reduces waste and significantly improves your results and Return on Investment.

Online Focus is telephone verified regularly by our UK based team, to ensure the data is in tip-top condition for your campaign.

Targeted campaigns

With up to 15 key contacts in each company, including eCommerce and Customer Services decision makers, you can be certain of getting your message to the right person.

You can target by:

- Location
- Decision making responsibility
- Number of employees
- Industry sector or activity
- Site function
- Email addresses

... and online specifics:

- Has e-commerce site
- Selling physical products
- Use reputation services
- Blog size & frequency
- Members area
- Use a CMS
- CMS in use
- Media variety
- User experience
- 'Responsive' design
- ... and much more

Fully compliant

Corpdata data fully complies with all personal data protection laws including GDPR.

Quality guarantee

The quality of your data is guaranteed. The 2 for 1 money back guarantee ensures you get every ounce of value from your data.
